1				
2.	In addition to the a Political Office officer attached t	regimental Commandin r and a Ruty Officer.	ng Officer, there is I do not know it the exception of	f Kovads, I do not know
50	There were three s innee flights. To wise semmissioned Administrative Orf three Wilght Leads	quadrons, each having tal personnel strengt Flight Leaders, three icers; 123 in all.	three platocns, of of each squadros commissioned Plat (Each platocn had isted of h2 enlist	and sach plushoun having in was 108 enlisted men, toth Leaders, and three 36 enlisted men and the bed men and one Flight.
<u>1</u> 4.	Actually, total personnel in this regiment were 373, since these were also four regimental headquarters officers not accounted for above. Addithout all headquarters administrative personnel, enlisted men only, might also have been added. I heard that it was planned to reinforce the regiment with draftees.			
5.	it was basically the but did have two IX	all about the training the same as that of in 1-3's assigned for party paratroop unit in	fantry units. Thi rachuse jump brain	nt took, but believe that is regiment had no gliders ling.
